1) Vision and Values

Our Christian vision guides our journey to provide a rich, well-rounded education enabling all to become the very best that God intended. We treat adults and pupils with love and dignity in a space where Christian values are developed and everyone can flourish.

As a Christian School Community, we believe that the ethos of our school should be built on a foundation of core Christian Values. The staff, children and governors have agreed the following four core values that we feel support our school motto which is 'Through God's love and strength, all flourish'.

- Creation
- Friendship
- Perseverance
- Joy
- Forgiveness
- Community

These core values will help us sustain an ethos which supports our aim for children to live happy, safe, healthy and fulfilling lives, to become confident individuals and responsible citizens who make a positive contribution to society.

We hope that our core values will help children understand that there are some central beliefs that people hold, and learn to fall back on these when making choices and decisions using these core values as an important guiding tool.

Aims

We undertake to follow the principles in the Church of England Charter for faith sensitive and inclusive relationships education, relationships and sex education (RSE) and health education (RSHE). The aims of relationships and sex education (RSE) at our school are to:

- Enable children to understand how to keep themselves and others safe
- Develop the personal skills needed by pupils for them to establish and maintain relationships, to recognise what a healthy relationship looks like, to form healthy relationships, ensuring respect and dignity for themselves and others.
- Explore how to live well together, including behaving well towards others, disagreeing well, forgiving and repairing broken relationships.
- Develop the skills to express their own views and make their own informed decisions, providing a framework in which sensitive discussions can take place.
- Help pupils develop feelings of self-worth, self-respect, confidence and empathy, to cherish themselves and others as unique and wonderfully made.
- Create a positive culture around issues of sexuality and relationships.
- Teach pupils the correct vocabulary to describe themselves and their bodies.
- Prepare pupils for puberty, by giving them an understanding of the importance of health and hygiene.
- Enable children to make responsible and informed decisions about their health and well-being.

2) Statutory requirements

As a Primary School we must provide relationships education to all pupils as per section 34 of the Children and Social work act 2017. We are required to follow the National Curriculum including requirements to teach science which would include the elements of sex education contained in the Science curriculum. In teaching RSE, we are required to have regard to guidance issued by the Secretary of State as outlined in section 403 of the Education Act 1996. At Ash, Cartwright and Kelsey CE Primary School we teach RSE as set out in this policy.

3) Policy development

This policy has been developed in consultation with staff, pupils and parents. The consultation and policy development process involved the following steps:

- **Review** –The PSHE lead pulled together all relevant information including relevant national and local guidance.
- **Staff consultation** – all school staff were given the opportunity to look at the policy and make recommendations.
- **Governor consultation**- this included wider reading around RSE, the equality act, and debate around the Church of England's guidance documents.
- **Parent/stakeholder** consultation – The policy was made available to parents on the website for two weeks and they were invited to discuss any points
- **Ratification** – once amendments were made, the policy was shared with governors and ratified.

4) Definition

RSE is about the emotional, social and cultural development of pupils, and involves learning about relationships, sexual health, sexuality, healthy lifestyles, diversity and personal identity. RSE involves a combination of sharing information, and exploring issues and values. RSE is not about the promotion of sexual activity.

5) Curriculum

Our curriculum is set out in Appendix 1. This will be reviewed and adapted as and when necessary. We have developed the curriculum in consultation with parents, pupils and staff, taking into account the age, needs and feelings of pupils. Our curriculum content is based on resources provided by the PSHE Association. Teachers will use the objectives and always take into account the needs and feelings of our pupils.

If pupils ask questions outside the scope of this policy, teachers will respond in an appropriate manner so they are fully informed and don't seek answers online.

Primary sex education will focus on:

- Preparing boys and girls for the changes that adolescence brings
- How a baby is conceived and born

6) Delivery of RSE

At Ash, Cartwright and Kelsey CE Primary School RSE is delivered within the personal, social, health and economic (PSHE) education curriculum. It also compliments content covered in Science, Computing and PE, and other aspects are included in Religious Education (RE).

Appendix 1 shows how our PSHE curriculum covers all the strands of the statutory guidance

Relationships education focuses on teaching the fundamental building blocks and characteristics of positive relationships including:

- Families and people who care for me
- Caring friendships
- Respectful relationships
- Online relationships
- Being safe

7) Inclusion

Equality

Ash, Cartwright and Kelsey CE Primary School is an inclusive school where we place a strong focus on the wellbeing and progress of every child and where all members of our community are of equal worth.

Schools have a legal duty to promote equality (Equality Act, 2010) and to combat bullying (Education Act, 2006) (which includes homophobic, sexist, sexual and transphobic bullying) and Section 4.2 of

the national curriculum (2014) states “Teachers should take account of their duties under equal opportunities legislation that covers race, disability, sex, religion or belief, sexual orientation, pregnancy and maternity, and gender reassignment.”

RSE has clear links with other school policies aimed at promoting pupils’ spiritual, moral, social and cultural development (SMSC), including the:

- Anti-Bullying Policy
- Behaviour Policy
- Confidentiality Policy
- Equality and objectives Policy
- Health and Safety Policy
- Computing Policy and E Safety Policy
