Newsletter week 3

Dear Parents/Carers

We have had a busy week in school. There was great excitement in Robins as the Gingerbread Man escaped! He left some clues around the school and the children had to follow these - he even left one under the cushion in my office. Luckily he was found safe and well and the children worked hard to make a wooden house to ensure he couldn't escape again. The children later discovered that he ran away because he thought they were going to eat him so they decorated their own gingerbread men instead.

Our Magpie Class also completed some fantastic outdoor learning and made some dinosaur packed lunches - they had to use adjectives to describe the food. They also made a magic potion - if you drank it you turned into a dinosaur. I didn't see any dinosaurs roaming the corridors so I think we are safe!

It is an uncertain time for us all, so we are adding a new feature to our weekly newsletter - **Joke of the Week**. Hopefully this joke from Lewis in year 6 will make you smile:

*I remember watching on the news that One Direction had gone their separate ways. I recall thinking 'That's ironic'.*

**We have a system of controls that we MUST adhere to:**

- Minimise contact with individuals who are unwell by ensuring that those who have COVID 19 or symptoms, or who have someone in their household that does, do not attend school
  - Clean hands more thoroughly and more often than usual
  - Ensure good respiratory hygiene by promoting the 'catch it, bin it, kill it' approach
  - Introduce enhanced cleaning, including cleaning frequently touched surfaces often
  - Minimise contact between individuals and maintain social distancing wherever possible
- If you are unsure what to do if your child becomes ill, please ring Mrs Bailey in the office. She has a flow chart from KCC that is updated regularly.

**Please remember that school bags are not to be in school - send reading books in a clear plastic wallet that we can wipe down.**

Have a lovely weekend
