Newsletter Term 6 Week 7

Dear Parents/Carers

It is hard to believe that we end another academic year – this term has flown by! Hawks went on a *River Art Trip at Sandwich* as part of their topic. *Hawks practiced their sketching skills* and then named the river features – they had a great morning. Year 5 ended the week on a high as they travelled to London to visit the Science Museum – they had a fantastic day and loved seeing the mechanical robots and learning about inventors.

We say a fond farewell to our Fabulous Falcons today. This cohort were in reception when I started here so we have been on the journey together. I wish them all the very best at secondary school and will miss them very much. They have been an amazing cohort. As I say to all our leavers, we are here if you ever need us in the future. I will upload some photos from the leaver's service onto our school Facebook page.

Thank you all for your support this year – these are tough times for education and myself and my staff really appreciate the positivity and kindness from the community.

Have a lovely Summer holidays and enjoy the family time – see you all in September.

Farewell to Mr Kemp

We will say a sad farewell to Mr Kemp today as he is starting a new job in London in August. We wish Mr Kemp all the very best in the future and hope he will still pop in for a cup of tea to see us all. We send huge thanks to Mr Kemp for all his hard work during his time with us – I'm not sure who we will get to fix all our things now! Kim will be covering the role in September.
