Newsletter Term 3 Week 3

Dear Parents/Carers

We are delighted that our spirituality art work has been compiled and displayed in the school hall. This visual imagery really highlights how we define spirituality in school and the artwork on the circles show what spirituality means to us individually. Red is looking in, yellow is looking out, blue is looking up and green is looking down. A huge thanks to Bliss, the artist who led the project, to Nick Hassall for the tricky job of erecting the finished piece and the PTFA for fully funding the project – a great community effort. I have loved reading the children's responses on their circles and how they have defined what gives their life meaning.

Our library refurbishment is developing well. The interactive whiteboard has been fitted and some of the furniture has been delivered. We are awaiting the new bookcases and the carpet will be fitted in half term. The large art work for the wall is being installed on the 4<sup>th</sup> and 5<sup>th</sup> February. I will share photos once the project is finished. This will create a warm and cosy environment to promote a love of reading. Hopefully the children will love it!

Have a lovely weekend.

## Help Raise Funds for Our School For Free – Match Funding

### Did you know you can boost our school's fundraising at no extra cost to you?

Many employers offer match funding, matched giving, or payroll giving for charity — and a quick chat with your HR, payroll team or line manager could unlock extra money for our PTFA.

#### How It Works

If you volunteer at an event like the Summer Fair and help raise £50 profit, your employer might match it with another £50.

That's double the impact, simply for giving your time.

We also completely understand that not everyone can commit long term — even helping out once can make a meaningful difference, and we're grateful for whatever time you're able to give.

#### Why It Matters

Match funding is essentially free money that goes straight back into supporting our school, enriching activities, resources, and experiences for all our children.

If you're not sure whether your company offers it, just ask your HR department, payroll team, or line manager. You might be surprised how many workplaces do.

#### Get Involved

Still want to join us? Got great ideas? Or just want to lend a hand now and then? Whether it's once a year or more regularly, we'd love to hear from you.

Contact us via Facebook, Classlist, or email: [candk.ptfa@gmail.com](mailto:candk.ptfa@gmail.com)

We're always on the lookout for companies that offer **match funding** — it's a fantastic way to boost support for our school. If your employer might offer this, please get in touch.

**New this academic year:** We've introduced a **suggestion box** in the school reception area — open to ideas from children and adults alike. Let us know how we can work together to support our school!
