Newsletter No: 27

Dear Parents/Carers

Welcome back to term 5 - I hope you all had a lovely Easter break and enjoyed the gorgeous weather. We have had a productive start to the term and all the classes are enjoying their topics - please keep a look out for class newsletters from Mrs Bailey, these are also posted on the school website.

We have been very fortunate to receive a generous donation from the Jack Foat Trust - this has enabled us to purchase a class set of 30 tablets with a portable charging trolley. This will benefit the children's learning enormously - we are in the process of setting the children up on Prodigy maths (login details are to be sent home) and on Times Table Rock Stars. They can also be used for spag.com and for the children to complete Accelerated Reader quizzes and research. We really are lucky to be part of such a strong community (community is our value this term too!) and the school council have made Jack Foat a thank you card. We are still continuing our fund raising for the school minibus which will also enable to children to participate in wider curriculum events and attend events at other schools. This would also be a real boost for the community.

Have a lovely weekend - we wish our Chair of Governors, Nick Hassall, all the best as he runs the London Marathon on Sunday - if you wish to follow his progress on the day there's a free Virgin London Marathon app with a tracker - his running number is 38758.
