Newsletter Term 6 Week 4

Dear Parents/Carers

We had a great start to the week as some of our pupils attended Kent Cricket Ground in Canterbury for the school's day out. We also welcomed some science STEM workers into the school and they led a whole school assembly and class workshops. The children were amazed when they made a rocket combust in assembly (safety goggles were involved!)

Thank you to the year 6 parents who attended the NELFT (MHST) transition to secondary school talk on Tuesday morning – I hope you found the session useful. The children had a follow up session in the afternoon and explored their thoughts and feelings around this next stage of their education and useful tools to help. Thank you to all who attended the Eagles coffee mornings this week to support the Make a Wish Foundation. The service from the children was excellent and they made over £200 – what a fantastic event – Eagles I am very proud of you all!

We are looking forward to Sports Week next week. Please remember to send your children in their PE kit all week and wearing their house colour team t-shirt. As usual, you are welcome to take your child home after lunch on Sports Day but the school is open as usual (after school club is still running). There will be a film afternoon in the hall for children who stay.

Have a lovely weekend

## PTFA

### SUMMER DISCO – MONDAY 15th JULY

Summer Disco letters have gone out this week – make sure you get your slips back in to Mrs Bailey in the office by Monday 8th July. This is the last disco of the school year and is always lots of fun! As usual, the £5 entry will get your child a hotdog, a sweet treat and unlimited squash; novelties will be available to buy at the event.

### TUCK SHOP – Not on this week

Tuck will not be on this week or next (as next Friday is Sports Day), we look forward to seeing you in the playground again on Friday 12th July. As per tradition, the PTFA will be providing ice poles for the children on Sports Day – they should be a welcome treat after all their efforts in the morning's events!

### About the PTFA

The PTFA is an integral part of the school community made up of parents, teachers and friends of the school. All parents & carers are automatically members. We are charity reg. number 1042205. Read more on the school website <https://www.ashckschool.org/about-us/ptfa>
