Dear Parents/Carers

Autumn seems to be well and truly upon us as the leaves are now falling quickly from the trees - but the children have enjoyed the warmer weather and have spent lots of time outside. Walking around the school this week, I have seen lots of enthusiastic learning. The EYFS unit loved their autumn walk, year 1 have enjoyed the story of the Enormous Turnip, year 2 have been learning about tens and ones and Darcey told me "We were taking away tens today and it is now a bit easier for me". Louis is year 3 told me that maths was his favourite subject this week as they tackle column subtraction and he can now "Take away numbers over 100". Lexi in year 5 loved art this week and the silhouettes they created of African animals. She told me "We learnt to blend in the sunset colours. I liked it so much I painted another one at home". The school is looking very vibrant and the children are clearly enjoying their topics. I always feel a sense of pride when I visit the classrooms.

It is hard to believe that next week will be the end of term 1. It has flown by! I hope to see many of you at the Harvest Festival on Friday 18th October.

Have a lovely weekend.

Harvest Festival

Our Harvest Festival service will take place at St. Nicholas Church on Friday October 19th at 1.45pm.

Children will register and be taken down to Church, after the service parents are free to take their children home and any remaining children will return to school with staff to be collected at the usual time. Staff will have registers at the Church so please notify your child's teacher as you take them.

This year we shall be raising money for WaterAid - a global charity providing clean drinking water for those around the world who cannot access this. Please send in your donation in an envelope and in addition we will have a retiring collection at the Church.
