

OCTOBER 2018

the PTFA News

Welcome to the PTFA

The Ash Cartwright and Kelsey Parent, Teacher and Friends Association is a friendly, open group helping the school provide a rounded education experience for our children. The funds you help us raise are for the added extras that enrich school life.

We have strong links with the community and are extremely grateful to be well supported by both residents and business. Many of our local businesses are very generous in their donations of raffle prizes and advertising. Through the fantastic support we received last academic year, we made a great profit which enabled us to support clubs, Christmas activities, and pantomime coaches.
