Newsletter Term 2 Week 2

Dear Parents/Carers

This week in worship we have been focusing on Remembrance and how important it is to remember those who died, and who continue to die in wars. Grandma Pat taught us about the significance of white poppies. Year 5 made some beautiful poppies and finished painting them this week. Lest we forget.

Mr Hayes and Mrs Wilson had a busy day on Wednesday as they went off in the school minibus to Medway Park for a golf festival as part of Kent School Games. The children were challenged in different golfing scenarios involving chipping, driving and putting. They posted the highest score in minefield and all had a great day.

We received a big thank you from Dover and Deal Foodbanks. We donated 59.65kg from our Harvest Festival collection. Well done to our generous school community – our donations will make a big difference to local people in crisis.

The children (and staff) looked fantastic in their Times Table Rock Star outfits today. Next week we celebrate Maths week in school and the theme is '3 is the magic number'. Maths week aims to provide young people in England with a positive image of mathematics, and to contribute in a small way to improving the national attitude towards this subject. I am sure we will have a great week.

Have a lovely weekend

School starters

If you have, or know somebody who has a child who will start school next year, please ring the school office to arrange an individual tour with me.

Fledglings	
Year 1 Robins	Thomas for showing amazing enthusiasm towards his learning and making some wonderful choices.
Year 2 Magpies	William for coming into the classroom beautifully in the mornings with a smile on his face and showing great sitting on the carpet. Keep it up!
Year 3 Owls	Kallie for being a super class role model.
Year 4 Hawks	Austin for his positive attitude to learning, colossal effort and fantastic behaviour choices. Well done Austin! You have become a role model to your peers. Keep it up because you are doing well!
Year 5 Eagles	Harvey for showing an immense effort in his math's work and eagerness to challenge himself.
Year 6 Falcons	Abigail for very positive attitude towards learning this week: in particular, her Maths.
