Newsletter Term 4 Week 3

Dear Parents/Carers

Despite the rain we have still had a very busy week in school. The Spelling Bee representatives did a fantastic job in our HUB Spelling Bee on Friday. I was particularly impressed with Harry in year 2 who won the year 2 round – he spelt every word correctly! Our cross country runners did not let the weather put them off and went to Northbourne Park on Tuesday to take part in their event. They all did a great job and kept going despite the rain – well done to all involved! They came 8th out of 25 schools – a great result.

Eagles have been very busy making fact files about the planets as part of their space topic – the paper mache is coming out this afternoon so they can make planets – messy and creative learning. Falcons took part in their NELFT Well-Being Team session on Wednesday and learnt how to understand worries and use a worry bucket. We have another NELFT parent coffee morning on Friday 17th March and this is looking at understanding and dealing with difficult to manage behaviour – you are all very welcome to attend – the session will start after morning drop off.

Have a lovely weekend

Thank you

A huge thank you to everyone who joined us last Saturday for our PTFA Quiz. It was a brilliant night where 10 highly skilled teams went head to head in a bid to be crowned quizzing champions. It was a closely fought battle with just 10 points separating the top 6 teams but in the end it was the eloquently named Quiz Truss V The Lettuce who took pole position. Not only was it a great night but we also raised well over £800!!
