Newsletter Term 6 Week 2

Dear parents/carers

Falcons are back from their residential trip today – it has been very quiet in school without them and we look forward to hearing all about their adventures next week. They have had an action packed week at PGL, taking part in fencing, climbing, canoeing, pool party, rifle shooting and archery. A huge thanks to Miss Brown, Mr Hayes and Mr Kemp for giving up their valuable time to make this happen for the children – it is greatly appreciated.

As we enjoy the warmer weather, outdoor learning has been a key theme this week. Owls were busy (bees) in their science lesson re-enacting the process of pollination. As part of their science, year 5 visited the Science Jamboree at Discovery Park today – they were just as excited to travel on the local double decker bus – luckily they got on the top deck! They got to learn about the transfer of evidence in forensic investigations and try VR headsets – a great learning opportunity.

Next week is just as busy and we are looking forward to the Tag Day on Thursday and the Birdman Talks.

Have a lovely weekend

More Important News

PTFA update

SUMMER FAIR -SATURDAY 8TH JULY 11-3!

The summer fair is fast approaching and we need YOU to make it possible.

A huge thank you to everyone who has already signed up to help on the day or days leading up to the fair. If you haven't signed up yet it's not too late! If you can help at all please email candk.ptfa@gmail.com or grab any of the committee on the school run J

Mystery Jars

The mystery jar stall is always very popular but it cannot happen with mystery Jars. If you possibly can it's a great activity to do with kids on a weekend

- 1) Find an empty glass jar. Jam, curry sauce, coffee, mustard, it really doesn't matter! All shapes and sizes welcome.
- 2) Wash and dry thoroughly
- 3) Fill with whatever you have! Sweets, little smellies, pens, pencils, little toys. (Please no nuts)
- 4) Wrap it up in some colourful paper. Wrapping paper, wallpaper, tissue paper or why not use plain paper and get the kids to decorate with stickers, paints, pens or whatever they fancy. Or (my personal favourite) recycle some of those wonderful works of art they have created
- 5) Bring them along to school and leave on the table outside reception

If you are unable to fill them we are also grateful for and empty Jars we can fill up ourselves

Cakes and Bakes

The refreshments stall will look pretty sad without your delicious creations for us to sell. Cookies, cupcakes, brownies and tray bakes work really well. It would be really useful if you could let us know what you are planning so we can make sure we have a good spread. If you could drop us an email or Facebook message or grab us at the gate. Bakes can then be dropped off on the morning of the fair on at drop off the Friday before.

TAG DAY

The next TAG day will be 22nd June to coincide with the visit from the Bird Man to the school. Children can wear their own clothes to school and all we ask in exchange we ask for a donation to the summer fair. We need toys, games, bottles of drink or anything we could use as a raffle prize. In exchange for your donation your child will be entered into a draw to win 'V.I.P for the day!' This brilliant prize will entitle them to one free go on each stall at the fair!(some exclusions apply). We really need those donations so if you can please do bring something along if you can't a donation of £1 is requested instead.

TUCK SHOP & OTHER NEWS

Tuck Shop is back with Frozen Fridays first one today, ice poles 30p, Strawberry Cornets £1, Fabs £1, Magnums £1.50!

The PTFA have created a pinned post on the School Facebook page that contains dates for upcoming PTFA events. We will update this regularly, so you have easy access to the latest information and can get those dates in your diary asap

ABOUT THE PTFA

The PTFA is an integral part of the school community made up of parents, teachers and friends of the school. All parents & carers are automatically members. We are charity reg. number 1042205. Read more on the school website <https://www.ashckschool.org/about-us/ptfa>

All money raised goes straight back into the school to benefit the children.

Attendance Award

Week Ending 16/06/2023	Magpies class	95.83%
----------------------------------	---------------	--------

EYFS	Kobe A for trying hard with his work on sharing in maths this week.
Year 1 Robins	Robins class for doing really well on their phonics this week. Well done!
Year 2 Magpies	Renel for settling into Magpies beautifully and having a positive attitude to learning. Great work!
Year 3 Owls	Jasper for never making a scene and concentrating fully on his learning.
Year 4 Hawks	Hawks class for busy building a river (in their own time) and remembered all of the features and river vocabulary that we have been learning this term. They then used their river to test the rate of evaporation during this hot weather in our science lesson.
Year 5 Eagles	Ruby for always sharing her understanding and showing a great growth mindset.
Year 6 Falcons	Away on school trip this week.
