**FALCONS CLASS NEWSLETTER TERM 4 2022**

# What is going on in Falcons Class this term?

Dear pupils, parents and guardians,  
 Welcome back to the second half of the spring term. Mrs Kennett and I hope you had a well-rested half-term break and were able to switch off and enjoy spending time together. It is hard to believe that it has been nearly two months since Christmas and we are now half way through the school year!

## What makes India so incredible?

Our overarching theme this term is all based around the geography and history areas of the country of India. Much of the learning that takes place in other subjects will be cross curricular and link to the topic wherever possible.

If you have any questions, worries or issues you need to share, please do not hesitate to catch me at the end of the day or contact the school office. Alternatively, you can send me an email at [jbrown@ashckschool.org](mailto:jbrown@ashckschool.org)

## English and Maths

Our English lessons will be linked to our topic this term as always. We will be finding out about the amazing country of India through a fictional text called 'When the Mountains Roared'. This will link into our topic sessions which will be rich in geography and history learning. Different texts we will be studying and writing will include fictional writing in a diary form and descriptive narrative, as well as a fact file and a biography.

In Maths this term, we will be learning about shape, angles, measurement with converting units and area and perimeter.

Each week we will also be continuing with daily arithmetic practice too.

## Home Learning

Home learning outcomes were again fantastic last term and I hope that the children will continue to enjoy the variety of tasks set for Term 4.

Statutory tests will be taking place in term 5 and I encourage revision of maths and grammar concepts, especially those which the children are finding tricky to understand or remember.

Support with reading with your child at home daily, times tables on TTRS, as well as encouraging the use of Spelling Shed at home to help learn the weekly spelling rules, will also aid SATs revision.

## Other Subjects

Science: Living things and their habitats  
 History & Geography: India  
 Art/DT: Indian art, batik and sewing  
 PE: Paralympic Sports/OAA  
 PSHE: How can the media influence people?

French: Les transports  
 RE: Christianity

## PE

This is an important part of the National Curriculum and our PE days will be a **Tuesday** and **Thursday**. PE kit (plimsolls/trainers, shorts/tracksuit bottoms, t-shirt and jumper) should be **worn into school** on these days instead of school uniform. Children also need to ensure they have trainers left in school so they can complete the daily mile.

Please note, if your child wears earrings, they are responsible for taking them out just before the session and looking after them or have taken out at home before school.

**Thank you for your continued support 😊**  
 ~ Miss Brown ~
