LQ: How does the 'Big story' of the Bible explain the place of Incarnation and Salvation?

There are many versions/translations of the Bible, but the contents all tell a 'big story', the story of God's relationship with the people He made.

Universal Plot Structure (according to Nick Park)

**What does the Bible tell us about God's relationship with the people he made?
What can you remember about his life and teaching?**

With the Bible story pictures, can you order them in terms of 'the big story'?
