

L1: To create a text map

Thursday

See my text map and hear me read it [HERE](#). Now you need to create your own text map to tell the story of Theseus and the Minotaur. Try to use mostly pictures to tell the story, and just add in the important sentence starters, verbs and nouns below when you think they're appropriate.

Friday Finish off your text map, and add some colour. Now, practice performing it a few times can you add some actions to go with it?

Later that night,	sacrificed	labyrinth
Eventually,	insisted	Naxos
Finally,	defeated	7 Athenian boys and 7 Athenian girls
Years later,	abandoned	Ariadne
On the way back..	begged	Theseus
However,		Minotaur
